Scene Composer 3.14

Courier Editor Feature Improvements

- Easier access from Scene Composer
- Improved usability when configuring your data bind source files (See here for examples of use)

Update Sample Solutions

Updating Sample Solution (3DEffect, 2DEffect, OpenGL 2D Effects)

High-Resolution Support

- Scene Composer and Control Center user interface now supports high resolution settings on Windows
- Newer and sharper icons are available, independent of your Windows DPI settings (Note: The screenshot images shown in this document use the old icon images with some exceptions)

Usability Improvements

- Implementation of "Fit to Screen" (2D scene)
- Easier handling with Scene Composer's Text Style Editor
- Extended drag & drop functionality including simple duplication of objects
