Output

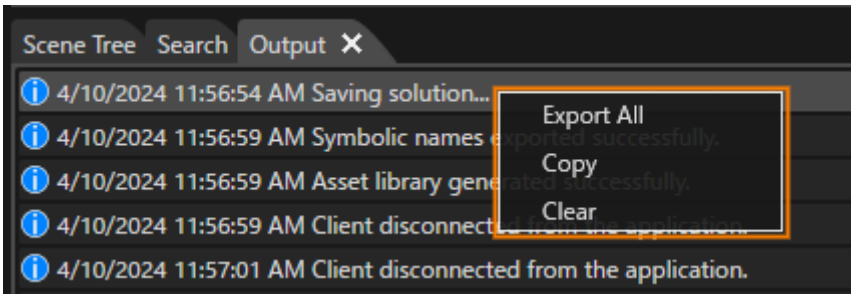

The Output panel can be shown by selecting [View > Output > Output] in the menu bar.

The Output panel displays all trace information about Scene Composer.

When a message is displayed in the output panel, a context menu is displayed by right-clicking on the panel.

Export All	Export all messages displayed in the output panel to a file.
Copy	Copies the message selected on the output panel to the clipboard.
Clear	Clears all messages currently displayed.

Revision #2
